Handwriting

In Early Years the letter shapes are learnt at the same time as the sound.

As the children progress through Key Stage One, handwriting is taught as a separate lesson.

Handwriting phrases for helping your child to form letters

This works best if your child practises for a short time every day.

1. Show the picture side and air-write as you say the phrase
2. Ask your child to practise in the air with you
3. Using a sharp pencil and sat at a table, encourage your child to have a go
4. Praise your child for their efforts

- m** Maisie, mountain, mountain
- a** round the apple, down the leaf
- s** slither down the snake
- d** round his bottom, up his tall neck and down to his feet
- t** down the tower, across the tower
- i** down the body, dot for the head
- n** down Nobby, over his net

The importance of talk for writing

If they can say it, they can write it!

Statutory requirements: Pupils should be taught to write sentences by...

- saying out loud what they are going to write about
- composing a sentence orally before writing it

Assessment and Monitoring

Phonics/spelling is a daily activity.

Assessment is carried out half termly, any individual concerns are raised.

Children are grouped according to learning needs.

Supporting our reading scheme

It is not a race through levels...there are many skills involved! It is good practice to reread books for meaning – especially in the early stages of reading development.

Children need to be exposed to words many times before they become fluent and automatic.

We aim for the children to be able to read as storytellers with the appropriate expression, intonation and therefore understanding.

If you would like help or advice with any aspect of supporting your child's learning at home, please speak to their class teacher.

The next steps...

Spelling Programme from Year 2 onwards

- * Part of the RWI programme
- * Follow on from RWI – once children are ready
- * Robust, fast-paced, systematic spelling programme for years 2-6

Supports the National Curriculum to ensure that children:

- spell new words correctly and have plenty of practise in spelling them
- spell words as accurately as possible using their phonic knowledge
- are supported in understanding and applying concepts of word structure
- spell words that they have not yet been taught by using what they have learnt about how spelling works in English

Any questions?

Thank you for coming!
