Aims:

Our aim is that all children should wear the Long Lane School uniform in keeping with the school's policy.

Responsibility:

This policy is the responsibility of all staff and governors.

Policy Statement:

Our policy for children's school uniform is based on the belief that a school uniform:

- promotes a sense of pride in the school,
- engenders a feeling of community and belonging,
- should be practical and smart,
- identifies the children with the school,
- is not distracting in class (as fashion clothes might be),
- makes children feel equal to their peers in terms of appearance,
- is regarded as suitable, and good value for money, by most parents
- has been designed with health and safety in mind.
