Important dates

Friday 10th February – End of term

Monday 20th February - Start of new term

Friday 3rd March - Dress up as a book character in celebration of World Book Day

Year 1

We have been...

English

- Learning about the differences between fiction and non-fiction.
- Writing our own fact files.

Maths

- Spotting odd and even numbers.
- Reviewing our learning from this term.

Science

- Creating our own polar explorer outfits.

RE

- Learning about Judaism – the Torah and writing our names in Hebrew.

Year 2

We have been...

English

- Writing, checking and editing our own non-chronological reports about Arctic animals.
- Completing reading comprehension papers.

Maths

- Learning about volume and capacity.
- Reading scales in millilitres (ml).

Science

- Exploring how materials can be changed.

RE

- Learning about Judaism – the Star of David.

In other news...

- The children took part in the NSPCC's Number Day on Wednesday. Thank you for all of your donations.
- Thank you to all parents who attended the Maths workshop on Wednesday. We hope that you found it useful and interesting. The aims of the classroom session were to give you a 'taster' of some of the areas of Maths that we teach in KS1 and the resources that we use.
- We would like to thank Miss Ramsey for all of her help this term and we wish her lots of luck with the rest of her training.

Out topic next term is...London's Burning.

Our next topic will be driven by History and DT.

Reminders

- **Registration** closes at 9:00 and it is very important that your child arrives on time. Doors open at 8:45 to give children time to settle in, order their lunches, change their books, complete a morning challenge or work with the teacher.

Have a happy and relaxing half term!
