Important dates

Thursday 25th May – Trip to Reading Mosque – see separate letter.

Year 1

We have been...

English

- Writing explanation texts.

Maths

- Using number lines and 100 squares to add and subtract.

Science

- Planting beans.
- Finding out about European eels.

Topic

- Learning about the weather in Mexico.

Year 2

We have been...

English

- Planning, editing and writing our own adventure stories.

Maths

- Adding and subtracting with money.
- Finding different combinations of coins to make given totals.

Science

- Learning about the life-cycle of a flowering plant.
- Planting our own seeds.

Topic

- Learning about the climate and weather in Mexico.

RE

- Learning about why Muslims go to mosque.

Encouraging independence:

We are currently promoting parent free cloakrooms in the mornings. This is to actively encourage the children to be independent, ready for transition to the next year group.

Year 1 children have been doing a wonderful job of coming in independently in the mornings and taking responsibility for putting their own belongings away. Thank you to all parents and carers for your support 😊

Next week we will be...

Y1 – Writing fact files, telling the time, completing bean diaries in Science, tasting Mexican food and continuing our learning about Islam.

Y2 – Completing reading comprehension papers in English, problem solving in Maths, starting a germination investigation in Science, planning Mexico fact files and tasting Mexican food.

**** Next week children in Years 1 and 2 will be sampling Mexican food. Please speak to your child's class teacher if your child has any food allergies or intolerances. ****
