Important dates

Saturday 15th July – Summer Fair

Tuesday 18th July – KS1 visit to the Nature Discovery Centre

Friday 21st July at 1:30pm – Last day of the school year

Year 1

We have been...

English

- Writing letters.
- Using descriptive language to create 'missing' and 'wanted' posters.
- Practising our handwriting.

Maths

- Solving problems by grouping and sharing.
- Using different methods to calculate.

Topic

- Planning a rescue mission after Fred the phonics frog was taken by pirates.

Science

- Identifying animals that live in fresh water habitats.

Year 2

We have been...

English

- Learning about alliteration and reading tongue twisters.
- Adapting and writing our own tongue twisters.

Maths

- Multiplying and dividing by 2, 5 and 10.
- Drawing arrays.

Topic

- Naming human and physical features of the seaside.

Science

- Identifying animals that live in fresh water habitats.

Visit to Nature Discovery Centre

Please check the **letter** which was sent earlier this week for information about our visit.

School books

Please send in a **named plastic bag** so that your child's school books can be sent home next week.

Storytime Swap

On Wednesday afternoon Reception and Year 1 visited their new classes again for a story.

Library books

If you still have any library books at home please send them in as soon as possible.

Next week we will be...

Year 1 and 2 – concluding our pirate topic, tidying our classroom and saying goodbye!
