- Exploring capacity and volume.
- Measuring using litres and millilitres.

Topic

- Planning our Father's Day picnic.
- Making sandwiches.

Art

- Creating pirate themed gifts.
- Creating portraits using oil pastels and water colours.

Father's Day picnic

We are sure that you will agree that our Father's Day picnic was a real success on Friday! Family members were given gifts and then enjoyed snacks on the field that were prepared by the children.

Next week we will be...

Year 1 – Launching our new pirate topic by learning and retelling a pirate story in English, calculating with coins and notes in Maths. We will also be reviewing our learning about plants in Science.

Year 2 – Solving addition and subtraction calculations in Maths, continuing our work on Roald Dahl's The Twits in English, reviewing our learning about plants in Science and starting our new pirate topic.
