## This week's learning

### **Reception**

We have enjoyed performing our Christmas play to everyone this week. The children did a superb job. Our theatre trip to see 'The Nutcracker' was very enjoyable and the children have done some activities based on this during the rest of the week.

### **Year 1**

We have had lots of fun performing our Christmas play this week and have also enjoyed making party hats and writing instructions for others to make them too! In Maths we have been drawing number stories and in Science we have learned about how animals survive during winter.

### **Year 2**

In English this week we have been writing about the Christmas story and our play, we've also written letters to Santa. In Maths we have been learning about data handling and how to use tally charts and block charts. We have enjoyed adding more details to our Icky Doo Dah illustrations that we started with Simon Murray last week.

A huge **well done** to the children in Reception, Year 1 and Year 2 for their amazing Christmas performances on Tuesday. We're sure that you will all agree they were fantastic!

## Reminders

**PE kits** will be sent home over Christmas, please check them carefully and ensure that everything is labelled (including socks).

### Reception

#### **Christmas cards**

If the children wish to send these in for their friends, please do so on Mon 18<sup>th</sup> or Tues 19<sup>th</sup> Dec only as these will be put in book bags on the Tuesday morning only. A big 'Thank You' to Mrs Muckley for offering to do this for us.

**Please remember to hand any paperwork for the office or to a member of staff in the mornings.**

**We do not have time to go through book bags looking for them during the school day.**

**Thank you.**
