## This week's learning

### **Reception**

This week we have continued with our ceremonies theme. Group 2 went to the church where we looked at plants and wildlife (we spotted a frog!), building materials such as flint and gargoyles. During our 'Big Write' session we wrote about our visit.

### **Year 1**

Year 1 did a fabulous job of reporting on the royal wedding for our Big Write this week. We are very much looking forward to sharing this with you at our Welcome Time after half term. In Maths we have been continuing to solve multiplication problems. We have been practising all the sounds we have learnt in Phonics, ready for our special phonics mission in a few weeks' time.

### **Year 2**

This week we baked royal wedding cupcakes and wrote the recipe for Big Write. In English, we continued reading The Twits and have started planning a brand new chapter. In Maths we have been working on problem solving and finished the last of our special quizzes. We enjoyed designing and painting minibeasts for the outdoor classroom.

**Years 1 and 2 spent the day minibeast hunting on Thursday** and after a rainy start, it stayed dry for the time we were outside. The children asked lots of interesting questions and were brilliantly behaved. Thank you to all parents who volunteered. Well done KS1!

## Reminders
