This week's learning

Reception

We have been enjoying the sunshine playing with the sand and water in the garden. We have participated in our first Sports Day and have been thinking about changes, including visiting the Year One class.

Year 1

What an exciting week we have had in Year 1! We all enjoyed taking part in Sports Day on Wednesday and earning points for our house teams. On Thursday we visited our new classroom and had a practise at being in Year 2. We have been following the World Cup football with interest and have also completed a big Maths quiz this week.

Year 2

We have continued writing our Magic Pebble stories this week and solved problems with addition and subtraction in Maths. In Science, we have started a new investigation about plants and in topic; we have started naming the world's continents and oceans. In Big Write, we wrote action filled diary entries about winning the World Cup!

In other news...

Thank you to those of you who came to our Sports Day on Wednesday.

All children visited their new class on Thursday; we will be doing further **transition** in the coming weeks during story times too.

A huge **THANK YOU** to everyone who came to help tidy the KS1 garden last Saturday:

Sarah Baber, the Freeman family, the Valenzuela-Earl family, the Folliard family, the Bampton family, the Taylor family, the Cundy family and of course, Mr Darling.

The children were delighted with the garden and have had lots of fun in it this week. Watch this space for details of phase 2...!
