## Important dates

8/11/17 6-7pm **Phonics workshop.**

## This week's learning

**Reception** We listened to the story of Pumpkin Soup and talked about sharing and feelings. We then went on a pumpkin number hunt. We also listened to stories about Winnie the Witch and wrote magic spells.

**Year 1** This week we have had fun acting as the characters from the Gruffalo. We have thought about what the different characters might be saying or thinking. In Maths we have been counting in multiples of 2, 5 and 10. On Wednesday, we were very lucky to have Manon's mummy come to play music for us to dance to.

**Year 2** This week we have described the characters in The Gruffalo and have explored rhyme in the text. In Maths, we have been learning about partitioning numbers and using the greater than and less than signs. We planned an investigation which we will carry out next week.

## Reminders

### PE kits

As the weather gets colder, it is important that children have a **full PE kit** in school. This should include a tracksuit (top and bottoms), trainers and spare socks.

### Letter & number formation

It is really important that children are forming their letters and numbers correctly when writing. If you spot any reversals or incorrect letter formation in your child's writing at home, then please encourage them to correct this.

**Reception: Forest School starts next week**
