This week's learning

Year 1

We have been exploring patterns in Maths this week and explaining the rules of different patterns. We enjoyed designing and labelling our own chocolate factories for Roald Dahl day and carried out an exciting colour mixing investigation in Science. We also had a first try with our new handwriting books!

Year 2

In Maths we have been using Numicon and ordering numbers and in English we have been using adjectives to describe Elmer. We explored tints and shades in Art and have continued to enjoy the KS1 garden.

Important information

- Please ensure that you can be seen by the teacher when waiting to collect your child at the end of the day.
- Children in **Year 2** are welcome to bring a teddy to school on a Friday as a reward for staying green all week.
- Please ensure PE kits are in school every day and all items are clearly labelled.
- Year 1 and Year 2 eat their lunch together and this year both classrooms are **nut and egg free zones** as we have children with severe allergies. We appreciate your co-operation.
