Reminders

Please ensure all clothes and shoes are labelled, including vests-we are adding to our collection on a weekly basis and all the children insist that missing items do not belong to them!

Phonics: The children are now in smaller ability groups. I am also covering one or two new sounds each week in class to help with reading development. Please keep up with the reading at home and find other ways to encourage the children to apply their blending skills. Week beginning 6th Feb-Please help your child to prepare a nursery rhyme to perform to the class adding actions where possible.

Weds 8th Feb-Dress up as a number day!

Weekend Activity

Try some Chinese food, write your name in Chinese or make a picture collage with a Chinese theme. Please bring in for 'show and Tell' next week.

Thank you
