

Year 2 Autumn 1 Curriculum Map

As **scientists** we will:

Name and describe materials.
Compare and group materials.
Explore how some materials are suitable for specific uses.
Explore how the shape of some materials may be changed by squashing, stretching, bending or twisting.

In **computing** we will:

Learn about technology around us.

In **RE** we will learn about Christianity and what Jesus taught us.

As **historians** we will:

Learn about the life and work of Isambard Kingdom Brunel.
Study artefacts to find out more about the past.
Create a timeline to develop an understanding of chronology.

As **artists** we will:

Learn how to mix colours and create tints and shades.
Study the work of Wassily Kandinsky.
Experiment with thick and thin lines.
Create our own work in the style of Kandinsky.

In **English**:

We will continue to develop our reading and writing skills with RWI phonics.

As members of the Long Lane community we will develop an understanding of our Year 2 rules and routines. We will learn how to look after our classroom and resources.

As **mathematicians** we will:

Develop an understanding of place value (tens and ones).
Compare and order numbers.
Practise counting in groups of 2, 5, 10 and 3.
Add and subtract using 2-digit numbers

As **athletes** we will:

Learn how to control, dribble, throw and catch a basketball.
Explore dodging and learn about attack and defence in sports.
