

Year 2 Spring 2 Curriculum Map

As scientists we will:

- Explore what humans need to be healthy.
- Continue to work scientifically by investigating and asking questions.

In **RE** we will be learning about Judaism.

In **computing** we will explore sharing data and making pictograms.

As historians we will learn about the life of Rosa Parks and how she made a stand against segregation.

As readers and writers we will explore the story of Little Red Riding Hood.

As geographers we will learn about Kenya and compare it with living in the UK.

As mathematicians we will:

- Describe 3D shapes.
- Collect data.
- Solve problems involving measures.

In **PE** we will:
Practise ball skills and moving in different ways.

Our **PSHE** theme is **Healthy Me**. We will learn about eating healthy food and the importance of exercise.
