

Medium Term Thematic Plan

Our School Curriculum Drivers: wellbeing, enquiry, global citizenship

As Scientists we will:

- ✓ Identify how animals and plants are suited to and adapt to their environment in different ways.
- ✓ Construct and identify food chains.
- ✓ Explore identification keys.
- ✓ Recognise that environmental change can pose dangers to habitats.

As confident communicators we will:

- ✓ Start to speak in front of larger audiences.
- ✓ Perform poetry by heart.

As Geographers we will investigate places by:

- ✓ Locating UK cities and counties using maps and atlases.
- ✓ Asking questions about the physical and human characteristics of a location.

"And above all, watch with glittering eyes the whole world around you because the greatest secrets are always hidden in the most unlikely places..."

*Roald Dahl*¹

As Artists we will:

- ✓ Sketch wildlife from secondary sources.
- ✓ Use light and shadow in sketches
- ✓ Replicate patterns in nature or build environments
- ✓ Use clay and other mouldable materials

As Readers and Writers we will:

- ✓ Study the life and work of Roald Dahl.
- ✓ Read *Fantastic Mr Fox* as a class
- ✓ Read and write: instructions, reports, poetry and play scripts.

As Historians we will:

- ✓ Place historical figures, artefacts and events on a time line.
- ✓ Understand the concept of change over time.
- ✓ Describe events using dates.
